JP WEAVER Custom hand-carved cartouche from JP Weaver Co. A world-renowned resource, JP Weaver celebrates its 100th year creating fine art moldings. Thousands of unique interior ornamental moldings of all periods available. Custom design work is their specialty. Proudly designed and made in the USA. For more information, visit jpweaver.com.

CORBETT LIGHTING Superb craftsmanship, commitment to fine detailing and refined materials are evident in every Corbett Lighting design. Transforming hand-worked iron into a scallop pattern suspended between mother of pearl rings, Koi creates an ambiance of pure tranquility. For more information, visit corbettlighting.com.

A. RUDIN The A. Rudin 781 dining chair was designed as an homage to the classic Klismos chair but with a transitional feel. It can be found in all A. Rudin showrooms as well as all representatives' showrooms. For more information, visit arudin.com.

BEVOLO Born of classic English design, this versatile and durable Highland Park Lantern is new to Bevolo's "Pool House Series." It's made of the purest copper, and hand-riveted to withstand the rigors of the harshest environments. Enjoy indoor/outdoor candlelight or fill with seasonal colors that complement endless applications. For more information, visit bevolo.com.
