# The bold and bright

BY KARA NELSON | [insideout@theadvocate.com](mailto:insideout@theadvocate.com)

These table lamps shed some light on how to make a statement.

### Let's be very clear

Boldly modern, this die-cut acrylic lamp is certain to catch your eye. The best part? You can see right through it. *Nadeau Furniture with a Soul*, 2728 Magazine St., New Orleans, [furniturewithasoul.com/neworleans](http://furniturewithasoul.com/neworleans). Acrylic lamp with rectangular shade, \$180.

### The nose glows

Maybe you see it as a nod to modern art, or maybe just a fun balloon-animal lamp. Either way, it would be hard to turn your nose up at this playful piece. *Perch*, 2844 Magazine St., [perch-home.com](http://perch-home.com). Big Top porcelain balloon dog lamp in Persian blue, \$144.
